

Introduction to Sanathana Sai Sanjeevini Healing Fragrances (cards)

by Kat Miller

Sanjeevini signifies eternal health at the physical level and symbolizes the Eternal Knowledge of Liberation (Immortality) at the spiritual level.

Sanathana is a Sanskrit word meaning "valid for all time" or "timeless." There is present within each one of us that Sanathana Energy which is the cause of all cures. This Energy, this Shakthi is lying dormant within each one of us. Only when this Shakthi is awakened, can true healing take place. For this, more than anything else, the mind of man has to revert to its pristine purity. This can only be achieved if we live by "Sanathana" values, i.e., Compassion, Love, Tolerance, Forbearance, Self-sacrifice, Faith, Non-Violence, Righteousness, Truth and above all Contentment.

Sai means "Divine Mother"- that Shakthi, that Cosmic Power, that God Power, which is the Knower of All, the Moving Force behind All, and the Doer of All in this Creation.

The Sanathana Sai Sanjeevini Healing Fragrances are therefore focused prayers to the Divine Mother, in total surrender, to awaken the timeless healing force within each one of us.

Currently there are 60 Body Parts Sanjeevini Healing Cards and 196 Disease Sanjeevini Healing Cards available. There are also 60 basic Sanjeevini Healing Combinations, as well as many additional expanded Sanjeevini Healing Combinations available.
