We have a lot of fun working with
Switchwords and
Law of Attraction at our Talks.

We often focus on

The Law of Attraction and teachers like:

Abraham by Esther and Jerry Hicks

Switchwords are powerful one-word affirmations
that can be used alone or while tapping
through EFT (Emotional Freedom Techniques) to
increase the effect of both.

Switchphrases are strings of Switchwords
combined to enhance each other.

We often use reflex muscle testing to help
find powerful Switchphrases to help work with
EFT and the

Law of Attraction in attaining goals:

There is a quick reference to EFT that gives the EFT technique and tapping points at:
<http://www.ref.ehdef.com>

There is also more about EFT at:
<http://www.emofree.com>

You can download the free manual from that site.

You can also download FREE PDFs about Switchwords and Switchword Pairs at:
<http://www.aboutsw.ehdef.com>

There is more about Switchwords at:
<http://www.switchwords.com>

You can read the first 43 pages of Switchwords for free.

That will give you a pretty good understanding of what Switchwords are and how to use them.

Also the book The Secret of Perfect Living written by James T. Mangan, first published in 1963 and recently back in print, is the original source of Switchwords. It too can be a great reference.

There usually are also some EF vial owners at the Talkcasts. They are often willing to discuss their experiences with the vial and how it SUPERcharges EFT and Switchwords.

It's always a lot of fun to talk about and enhance our ability to work with all of these positive tools.

Why am I doing this?

Because I have experienced the power of:

EFT,

Switchwords, and

Energy Vials.

I have also experienced the blending of these and

I want to share it with the world.

Yours sincerely,
